This past August, RevelationGolf saw the dreams of one young girl come true as she made the Palatine High School Golf team as a freshman. Little did we know that when she was only 8 years old and participating in our ICompete Summer Golf Camp, that she would rise above the stresses of being homeless and reach new heights using the game of golf.

We also had the blessing of seeing one of our veterans with PTSD, get back into the game he loves after being injured in Afghanistan. We had the privilege of witnessing his joy, because someone gave of their treasures to make sure our programs continue.

If you have ever wondered if your financial support makes a difference, these are just two stories that cause a resounding, YES! In an ever changing world, one thing remains steadfast, our deep abiding commitment to bring the game of golf to our military/veterans, children and adults with physical disabilities and at-risk youth. To not just put clubs in their hand and teach them to play the game we all love, but to help them heal, increase their independence and achieve their dreams.

While we know there are a lot of wonderful organizations out there to give your treasures to, RevelationGolf asks you to consider choosing us, and allow us to keep making a positive impact in the lives of those we serve. Think for a minute what it would mean to you, if tomorrow you were told you would never play golf again. Then imagine what would it mean to you, if RevelationGolf could help you return to this great game and enjoy its vast benefits in a new way? This is what we are able to do each and every day, with your support. So whether you send in a donation, go online to our website, www.revelationgolf.org and donate there, you are making a huge difference in the lives of others and we are forever thankful.

“Our Mission: to impact the physical, social, emotional, and spiritual quality of life for veterans, children and adults with cancer or a physical disability, and at-risk youth, using the game of golf to help them be active members of our community.”

RevelationGolf is excited to announce that our 12th Annual Fundraiser will be held on Monday **June 12, 2017**, at **Rolling Green Country Club**, in Arlington Heights. Rolling Green is part of ClubCorp which has many initiatives, one being, giving back to our military and veterans. They are working with RevelationGolf in a charitable manner to host our fundraiser. On-line registration will begin March 1, 2017 at www.revelationgolf.org. Our outing will begin at 1pm and conclude with our Humanitarian Award dinner. If you know of a business that would be willing to be a sponsor for our event, please call our office for more information. We hope you and your friends will join us for this special event.

2016 Veterans Tournament

RevelationGolf held its 5th Annual Veteran's Golf Tournament on October 18th at Sugar Creek Golf Course in Villa Park. Twenty-Two of our veterans were able to show off their golf skills and enjoy one more day on the course. RevelationGolf would like to thank Cory Ferrell, the Sugar Creek Golf course, our volunteers and the Chicago District Golf Association Foundation for supporting our event.

2016 Veterans Golf Days

On Wednesday September 7th and Tuesday September 20th, RevelationGolf and the Chicago District Golf Association Foundation hosted our Annual Veteran's Golf Day at Willow Glen Golf Club in North Chicago and at Cog Hill Country Club and the Sunshine Course at the Chicago District Golf Association (CDGA), respectively. These events are designed to give those veterans with a variety of special needs, the opportunity to explore the game of golf and/or to grow their skill level in the game. Veterans from Edward Hines VA, Jesse Brown VA, and Great Lakes Naval Base attended the day-long event, which includes hands-on professional instruction and assistance, a rules and etiquette session and course play on the Sunshine Course. This year 62 veterans and active-duty personnel participated in this special day.

We would like to say a special thank you to, Cog Hill Golf Club, Willow Glen Golf Club, The Chicago District Golf Association Foundation, and to all of our teaching professionals and volunteers, for supporting this event and helping to make it a success.

Winter Fitness Tips

Balance impacts all golf swings; Full Swing, Short Shots and Putting. Good Balance allows for a good golf swing as the energy is not taken away from the golf motion to maintain balance. Often times, if a player does not have good balance their feet are working to keep them upright rather than allowing them to manage the golf motion.

An easy way to test your balance is to stand on one leg and raise the opposite foot, making sure not to touch the legs together. Arms should be at your side, but not touching your body. Then close your eyes and hold this position as long as you can without tipping over. The average golfer can do this for 10 seconds and the tour player for about 26 seconds.

Drill to improve Balance: 1) One-Legged Shots- Assume your set-up for a pitch shot, then lift your right foot, move it away from the ball and place your toe on the ground, rather than your whole foot. Swing the club, maintaining your balance. Your back foot should not be supporting any of your weight. All your body weight is on the forward foot. This drill is great for balance and tempo as you adjust your tempo to stay in balance.

I recommend the Orange Whip Golf Trainer, to help with your balance and overall golf swing. Try it. You will be surprised!! Also, a great Christmas gift idea. If you have any questions, please give Kathy a call at 630.251.3006
