Giving Hope

It starts with a simply desire to make the life of someone in need better. We believe in using golf as a tool to help bring about healing, strength, independence, confidence and overall wellness. Our therapy does more than the eye can see. It touches the very heart of every participant that RevelationGolf serves. It may be sinking a putt with so much focus that you will the ball into the cup. But for someone with invisible wounds, it's the chance to focus on something other than their trauma. You may not think of swinging your driver as weight lifting, but when you can't raise your arms above your head, it's quit the accomplishment. You may be part of a league or have someone special you play golf with, yet coming out of your home on your own might be a major accomplishment. And, because of RevelationGolf therapy and workshops, you may spend quality time teaching your child or another friend to play the game you love without the flashbacks taking over your every move.

This is the hope RevelationGolf seeks to give to every service member, veteran, and child we serve. We want them to feel safe, encouraged, and independent, while being a part of their communities. We want to make healing and recovery a little less overwhelming, one swing at a time. Yet as you know, we are not able to do any of this without your financial support. When you make a donation to RevelationGolf, you are giving hope to those we serve. You become part of the healing and recovery.

We are asking you to make a donation to RevelationGolf and to stand together with us in our mission of giving hope and changing lives. As we provide more programs, additional funds are needed. So we ask you, to please help us give hope and make the game of golf the best medicine ever. You can complete the donation card provided, YOU can also make a donation on-line at our website, www.revelationgolf.org and hit the donate button on the left. Thank you so very much for your support.

"Our Mission: To impact the physical, social, emotional, and spiritual quality of life for veterans, children and adults with cancer or a physical disability, and at-risk youth, using the game of golf to help them be active members of our community."

A Word From Our Participants

This fall has been all about our wonderful Military/Veteran special events. We celebrated Military/Veterans Golf Day at Willow Glen in North Chicago on September 5th with 20 participants who enjoyed a clinic in the morning, lunch together in the club house and then hit the course for some golf. This event supported our programing at Great Lakes and the Lovell Federal Healthcare Center. We hosted our next Military/Veterans Golf Day for Jesse Brown VAMC and Hines VA on September 18th with over 40 participants at Cog hill in the morning and the CDGA Sunshine Course in the afternoon. Then on October 16th RevelationGolf held its Annual Veterans Golf Tournament at Cantigny Golf in Wheaton. It was a very cold morning and we had to wait out the frost before we could begin. Yet all our hearty souls had a wonderful time and enjoyed lunch and awards in the club house after golf. Our Military/Veterans Golf Days were held in partnership with the Chicago District Golf Association Foundation and we thank them for their support. In addition a huge "Thank You" to Patrick Lynch, Head Professional at Cantigny, and the entire Cantigny Team for their support of our very special Tournament. THANK YOU!

Participant Salute

Matthew Splitstone has always been a very special part of RevelationGolf because we had the chance to work with him at a young age and watch him grow and develop into a wonderful young man. From a young golfer learning the game to speaking at our Annual Fundraiser, Matthew has grown up before our eye. On Sunday November 11, 2018, Matthew Splitstone achieved the rank of Eagle Scout. Eagle Scout is the highest achievement or rank attainable in the Boy Scouting program of the Boy Scouts of America (BSA). The designation "Eagle Scout" was founded over one hundred years ago. Only four percent of Boy Scouts are granted this rank after a lengthy review process. After years of dedication and commitment Matthew has reached this goal with courage, perseverance and loyalty and we congratulate him on this incredible achievement.

Save The Date

RevelationGolf will host its 14th Annual Fundraiser on Monday June 10, 2019 at Rolling Green Country Club in Arlington Hts., We hope you will plan to attend this special event in support of our mission, programs and the thousands of lessons we give each year. Without YOU, we could never accomplish the healing and recovery offered through our programs. Thank you for your support.
